

Bsac national Training events 2010

Contributed by Dougal Matthews

Bsac have published their 2010 calendar of training events

SDC Events

Skill Development Courses scheduled by the Regional BSAC Coaching Teams

Skill Development Courses detailed from these pages are scheduled events planned by the Regional Coaching Teams.

Most courses take place at weekends but some may be offered as evening events.

Each candidate will be issued with a Student Pack containing course notes and will have their attendance recorded on a database at BSAC HQ and students will receive certification for their qualification record books.

To enrol on a course, it is best to use the Region's own online booking facility.

For details of dates and venues, click on a course.
